The **Buckeye State Pedal Pullers** are endorsed by the National Pedal Pullers Association as being the sanctioned kiddy tractor puller of Ohio. With this endorsement, the club hosts sanctioned pulls so kids can enjoy the excitement of qualifying for the state and national pull offs held in the fall.

Kids ages 4-11 compete against kids their own age. This pull is state-sanctioned to qualify the top three in each age group (4 to 11 years old) to participate in the state pedal tractor pull held in August. The top four boys and the top four girls at the state pull have the opportunity to compete in the National Pedal Tractor Pull held at the end of September.

General Rules

- 1.) Competition only for ages 4-11 years old.
- 2.) Competitors will enter the correct division for them on the day of the pull. Proof of age is not required for local pulls. *Both State and National pulls require proof of age and proper sanctioning paperwork from local events.*
- 3.) Any arguing with the track officials by a contestant, parent or guardian, will not be allowed and could result in disqualification of the contestant.
- 4.) All rulings by track officials are final and may supersede any of the above rules. In the case of need, a sled may be re-weighted and the group may start over.
- 5.) Sanctioning in Ohio: a sanctioned pull will qualify the top three contestants in each age division.
