### HOTEL INFO

#### Four Points by Sheraton

1600 Cumberland Avenue, West Lafayette, IN 47906  
765.463.5511

[www.fourpointswestlafayette.com](http://www.fourpointswestlafayette.com)

[www.marriott.com/hotels/travel/laffp-four-points-west-lafayette/](http://www.marriott.com/hotels/travel/laffp-four-points-west-lafayette/)

We have a block of rooms priced at \$109.00 per night, mention HPOCA or The Oliver Gang to get the group rate. This hotel will also be the location of the Saturday evening banquet. There is plenty of room indoors and out for tractors and equipment to be displayed and the features will be small tractors like the Super 44, 440, Super 55, 550, 500 and garden tractors. **The door leading into the tractor display area is only 87 inches wide.** We want to emphasize, this facility and show will be family friendly with an indoor pool and will have activities for children to do during the show.

#### For general information about the show contact:

Bob Miller | 260.693.3080

Dick Westerhouse | 765.414.1113

765.482.5768

**DEADLINE: 3/10/19**

Also, on Thursday, March 21st, around 3:00 if there is enough interest we will have a tour to Purdue's Indiana Corn and Soybean Invocation Center which is 2.3 miles away to visit Purdue's showcase to the world of Agriculture. This will be conducted only if there is enough interest to organize a small tour or you can drive over by yourself. We just have to let Jason know if we are coming or not that afternoon. It takes approximately 1 hr. to go through the facility. Let Dick Westerhouse know by noon on Thursday, March 21st, if you wish to go on this tour. You can reach Dick at 765.414.1113 or locate him at the show.

## REGISTRATION—LAFAYETTE CATERPILLAR LARGE ENGINE PLANT

Friday, March 22, 2019 | Leaves from the hotel at 9am, returns around 3:30pm

- Tour includes visit to Lafayette Caterpillar Large Engine Plant in Lafayette IN, lunch at Golden Corral, (included in fee) then on to visit Terra Drives System outside of Brookston, IN better known as "Mud Hog Drives." This company makes the 4-wheel drive axles for a lot of the agricultural sector. The Caterpillar tour is the same as the one we did in 2008. The rules for touring Caterpillar is listed below and they are very strict about these rules so we must abide by them.
